Lucy Cavendish College

ENGINEERING TRIPOS, PART IB, 2026

CLASS I

Examinations

<i>Mechanics</i>	82 out of 100 [Average 64]
<i>Structures</i>	75 out of 100 [Average 61]
<i>Material</i>	78 out of 100 [Average 60]
<i>Thermofluid Mechanics</i>	82 out of 100 [Average 63]
<i>Electrical Engineering</i>	76 out of 100 [Average 63]
<i>Information Engineering</i>	75 out of 100 [Average 65]
<i>Mathematical Methods</i>	88 out of 100 [Average 63]
<i>Selected Topics</i>	84 out of 125 [Average 78]

Coursework

<i>Total</i>	140 out of 140
--------------	----------------

Total **780 out of 965 (81%)**

RANK IN YEAR GROUP

30 out of 320

9th percentile (1st percentile is the top rank, 100th percentile is the bottom rank)

Class boundaries for 2026

Class mark (out of 965)

I	681-965 (71-100%)
II.1	562-680 (58-70%)
II.2	485-561 (50-58%)
III	394-484 (41-50%)

Marks, boundaries and total marks may not be whole numbers, but are displayed as integers, so the total may not appear to be precisely the sum of the individual marks. Percentages shown in round brackets are for guidance only.

This transcript is issued by the Department of Engineering, University of Cambridge for the convenience of staff and students. Copies used for other purposes should be stamped and signed by the student's college to verify that the marks shown are accurate.
